Gifted Education Update

An SC member updated the Council on gifted education. In the fall of 2022, Chapter 16 was opened for review and roundtable discussions were held. The Special and Gifted Education Committee will meet in July to review possible additional recommendations.

ODR Updates

The ODR Director and Program Manager provided year-to-date statistics for the 2022/2023 fiscal year. During the FY, due process requests decreased while mediation and IEP facilitation requests increased.

ODR is in the process of making changes to its database in order to continue providing efficient data for the annual report.

The meeting ended at 10:22am. The next quarterly meeting of the Stakeholder Council will be held on Thursday, September 21, 2023.
