DEPARTMENT OF EDUCATION

Through the Office for Dispute Resolution, the Pennsylvania Department of Education (PDE) fulfills its statutory mandate to maintain a special education due process system. PDE contracts with the Central Susquehanna Intermediate Unit to provide fiscal and certain management support for that office, without becoming involved in substantive operations. The hearing officers and mediators are free from interference or influence on any matters affecting the outcome of individual mediations and due process hearings. This includes, without limitation, interference or influence from any entity, individual, or group, such as parents, advocacy groups, school districts, intermediate units including CSIU, ODR staff, and PDE. At the same time, those hearing officers and mediators are provided with administrative support, as well as training delivered in a manner preserving their impartiality through ODR, which itself is also free of such interference or influence.

The Central Susquehanna Intermediate Unit will not discriminate in educational programs, activities or employment practices based on race, color, national origin, gender, disability, marital status, age, religion, sexual orientation, ancestry, union membership or other legally protected classifications. Announcement of this policy is in accord with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990. Employees and program participants who have an inquiry or complaint of harassment or discrimination or who need information about accommodations for people with disabilities, should contact Director of Human Resources, CSIU, 90 Lawton Lane, Milton, PA, 17847, 570-523-1155.

Introduction

The Office for Dispute Resolution (ODR) provides the resources for parents and local educational agencies (LEAs) to resolve educational disputes involving children served by the early intervention system, students with disabilities (or thought to have disabilities) and students who are gifted (or thought to be gifted). Pennsylvania's recognition as an "exemplar state" by the Office for Special Education Programs (OSEP) and the Center for Appropriate Dispute Resolution in Special Education (CADRE) is an acknowledgement of the array of quality services offered by ODR. During FY 2015-2016, ODR created a listserv to make ODR news and hearing officer decisions more readily accessible to stakeholders. Individuals can sign up for the listserv on the ODR website at <http://odr-pa.org/subscribe-to-odr/>.

ODR Stakeholder Council

The ODR Stakeholder Council (SC) brings together representatives from a broad array of stakeholder groups to provide functional input and recommendations on the special education dispute resolution system. Detailed biographical information on each SC member is available on the ODR website, <http://odr-pa.org/wp-content/uploads/pdf/Stakeholder-Council-Bios.pdf>

Presentations

ODR employees and hearing officers are speakers throughout the year as part of stakeholder education. The hearing officers, singly and in conjunction with others, presented at a variety of conferences, including the National Academy for IDEA Administrative Law Judges and Impartial Hearing Officers (Seattle University School of Law); various Pennsylvania Bar Institute seminars; and Lehigh University's Special Education Law Symposium. The ODR Director spoke to the PAIU special education administrators regarding ODR services, which resulted in ODR receiving numerous LEA and IU requests for presentations throughout the Commonwealth. ODR has reached out to the parent centers to explore their interest in various ODR presentations.

The ODR Program Manager and CADRE staff presented a national webinar on constructive individualized and systemic approaches to recurring conflict. The ODR Program Manager continues to provide training on conflict resolution (Creating Agreement) throughout the Commonwealth to both professionals and paraprofessionals. Staff members provide information about ODR services, including IEP Facilitation, upon request.

Hearing Officer Training

The hearing officers engage in rigorous professional development each year, both in-house and through highly regarded professional associations. They are members of the National Association of Hearing Officials (NAHO), and participate in the certification process. Hearing officers regularly attend the NAHO conference and/or the National Academy for IDEA Administrative Law Judges and Impartial Hearing Officers through Seattle University School of Law, in addition to numerous trainings conducted within the Commonwealth where they are frequently asked to also participate as session presenters. In-house training in FY 2016-17

included a day-long interactive presentation on compensatory education as a remedy in due process hearings. The hearing officers routinely attend conferences and presentations related to a myriad of issues impacting children with disabilities.

ODR Projects

Hearing Officer Settlement Conferences

After a successful pilot period, as of March 2017, Hearing Officer Settlement Conferences (HOSCs) are now a regularly-offered service in any dispute where a complaint has been filed, and both parties request a HOSC. ODR maintains a randomized list of HOSC hearing officer assignments. When parties request a HOSC, the next hearing officer on the HOSC list is assigned to the HOSC (after confirming that the hearing officer does not have an ongoing case with the family or the LEA—if so, the next hearing officer on the list will receive the assignment). A general framework applies—a three-sided conversation between the settlement hearing officer and the attorneys (or LEA attorney and pro se parent) takes place. Thereafter, the settlement hearing officer has a one-sided conversation with each party. At that point, each HOSC moves in its own unique direction—sometimes resolution has been achieved, sometimes involving further collaborative conversations, sometimes involving further one-sided conversations. The HOSC can continue until the parties feel it has met its goals, or their conversations can continue without the settlement hearing officer. Data on the HOSC service is being gathered as each conference concludes. Thus, reliable quantitative data on a large sample of HOSCs will soon emerge for further direction. Information about HOSCs is available on the ODR website at <http://odr-pa.org/alternative-dispute-resolution/hearing-officer-settlement-conference/>.

Virtual Hearings Pilot

After a lengthy two-stage pilot, with the ongoing participation of and input from all key stakeholders (including invaluable hours of volunteer participants), virtual hearings—and videoconference technology generally—are available as an ODR service as of June 2017. Using an internet-based, highly-secure videoconference platform, easily accessed through any webcam-enabled computer, laptop, tablet, or smartphone, virtual hearings will allow for participants to utilize videoconferencing to increase efficiencies and access in special education due process. Whether the hearing unfolds with all participants and the hearing officer gathering in a physical location and a witness participates virtually, or the participants gather in a physical location and the hearing officer participates virtually, or everyone participates virtually, the technology allows special education due process to be much more nimble in responding to the needs of participants in a world where notions of geographic-based processes and “physical presence” become much more flexible. Virtual hearings are entirely voluntary, only where all participants see value in utilizing videoconference technology for conducting the whole hearing, or some particular session(s), or the testimony of a particular witness.

CADRE Multi-State Project

Pennsylvania, via ODR, is one of three states invited by CADRE to participate in an initiative designed to enhance productive engagement between the state's parent centers, and the state educational agency. During FY 2016-2017, ODR remained active in this initiative with the Parent Engagement Project Manager facilitating and participating in state partner meetings and projects associated with the initiative. The initial assignment from CADRE was for each state cohort to identify gaps in their state's dispute resolution resources, especially pertaining to alternative dispute resolution services. State cohorts then self-select project goals, scope and parameter to address identified needs and access to services. Given the well-established quantity of resources available in Pennsylvania, initiative participants decided to develop a digital guide that can be posted on partner and stakeholder websites. The guide will include descriptions, links, forms, publications, and other relevant resources for families and schools to access dispute resolution services.

HUNE Project

ODR contracts with Hispanos Unidos para Ninos Excepcionales (HUNE) to assist in reaching traditionally underserved Spanish-speaking families in Pennsylvania. Through this unique collaboration, ODR, through HUNE, is able to provide culturally-responsive outreach activities and services. During FY 2016/2017, HUNE established the Spanish Help-Line Plus, a statewide toll-free service where callers speak with a bilingual information specialist about special education concerns and community-specific resources. The Spanish Help-Line Plus Specialist receives training from ODR's ConsultLine Specialists and at times, can serve as bilingual liaison to assist Spanish-speaking families and other stakeholders in understanding and facilitating access to early dispute resolution options such as ConsultLine's Call Resolution Process (CRP).

Outreach

ODR has hired a Parent Engagement Project Manager, who will be spearheading the office's outreach efforts.

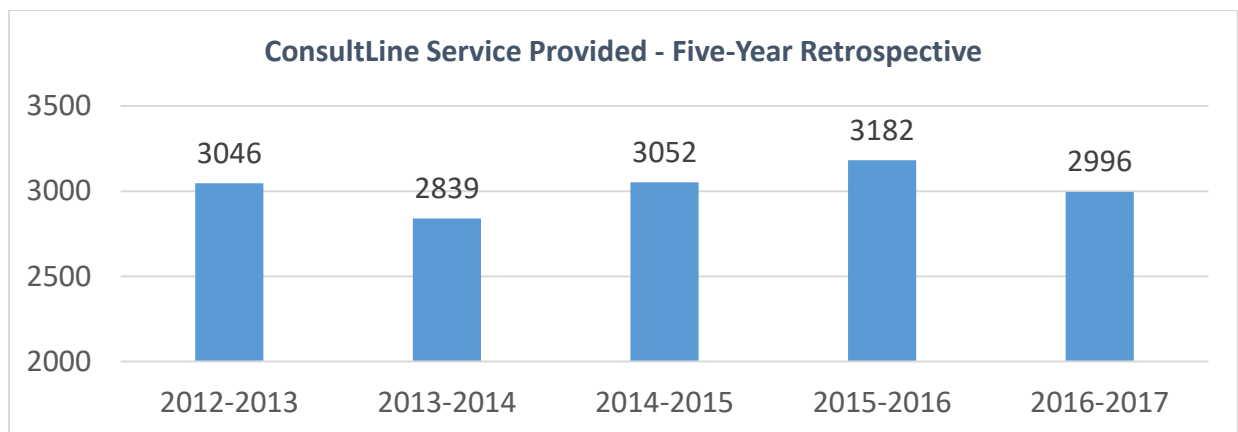

The Special Education ConsultLine is a toll-free information helpline for parents and advocates who have questions or concerns about special education for school-age children. ConsultLine is staffed by three Specialists who provide information about special education, gifted education, and Section 504 of the *Rehabilitation Act of 1973*. Specialists assess the nature of

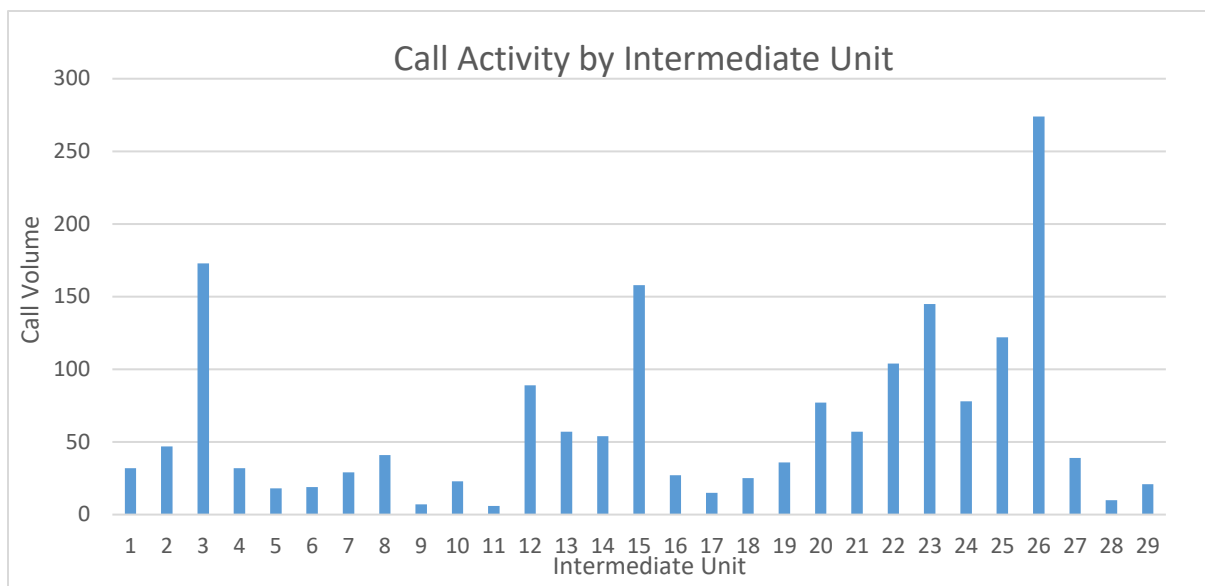

the caller's inquiry or concern and provide information and assistance. Examples of the service provided include:

- Information about the processes involved in having a child evaluated, identified, and provided with special education, accommodations, and related services;
- Parent's rights and procedural safeguards, including information about regulations;
- Information, assistance and access to the state complaint process managed by the Pennsylvania Department of Education's Bureau of Special Education (BSE);
- Dispute resolution services and options for resolving disagreements about a child's special education program; and
- Resources, publications, websites and referrals to disability-related organizations.

Call Activity

During FY 2016-2017, ConsultLine Specialist served 2,996 callers. ConsultLine Specialists are responsive to the contact instructions provided by the caller, i.e., date and times when the caller expects to be available to speak with a specialist. Specialists will attempt to return the call at least three times over the course of three business days. This has been an effective protocol for serving callers in a timely manner given the volume of service requests. Despite varied staffing changes during the 2016-2017 FY, ConsultLine Specialists maintained a high standard for providing equitable and timely service to constituents.

During FY 2016-2017, 34 non-English speaking callers were served in their native language--- 31 of these callers were provided assistance in Spanish, 11 of which were assisted by HUNE's new toll-free Spanish Help-Line Plus. A confidential interpreting service assisted Specialists in three instances when callers needed to speak with a specialist in Vietnamese, Mandarin, and Arabic.

Caller Demographics

Demographic information was volunteered during 1,815 calls during FY 2016/2017. The following statistics provide a general impression of call activity across the state.

ConsultLine received the highest volume of calls from Philadelphia Intermediate Unit 26 (274); Allegheny Intermediate Unit 3 (173); Capital Area Intermediate Unit 15 (158); Montgomery County Intermediate Unit 23 (145); Delaware County IU 25 (122); and Bucks County Intermediate Unit 22 (104).

Types of Inquiries

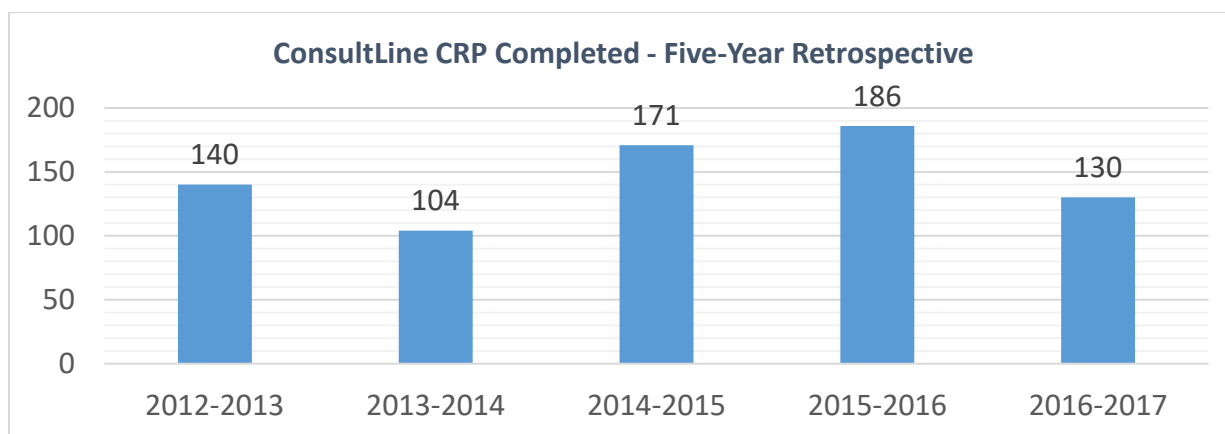

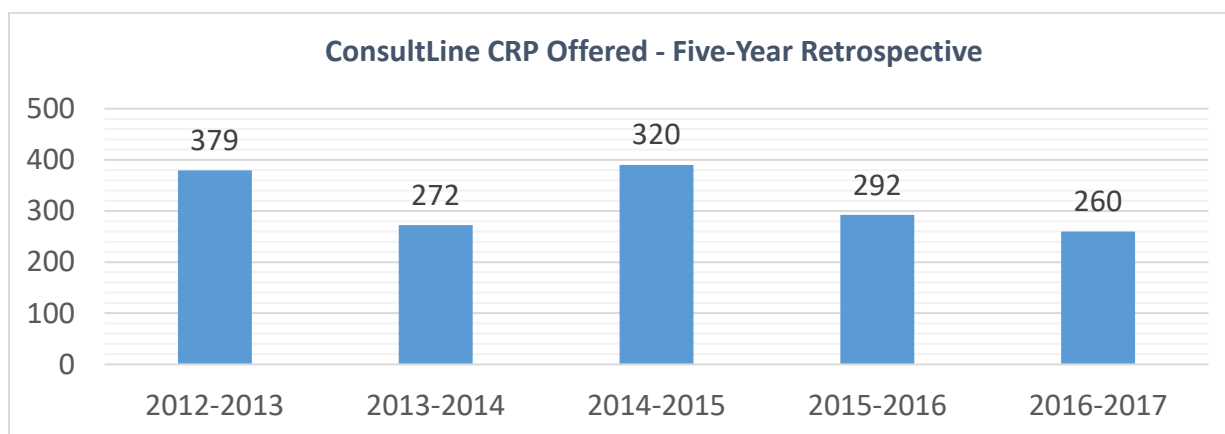

ConsultLine Specialists document the main topics associated with a caller's question(s). During FY 2016-2017, the most frequently recurring topics (between 150 and 300 inquiries) pertained to the multidisciplinary evaluation; educational placement; IEP content; IEP implementation; and mediation. Other high interest topics included advocates, Section 504, and the procedural safeguards. Specialists provided publications, forms, web resources and other materials related to the caller's interests in 1,446 instances; the majority of this information was delivered electronically

Call Resolution Process and Provision of BSE Complaint Packets

ConsultLine's Call Resolution Process (CRP) is an effective dispute resolution tool for compliance-related concerns for IDEA-related issues and certain types of concerns related to Section 504 of the *Rehabilitation Act of 1973*. During CRP, the Specialist acts as a conduit of information between the parent (as defined in 34 CFR 300.30) and the school; the Specialist does not serve as an advocate, decision-maker, mediator, or compliance advisor.

The CRP format and process includes an email summarizing the parent's compliance-related concerns, and to the extent known, the parent's proposed resolution. The email is prepared by the Specialist in consultation with the parent so that the message accurately reflects the nature of the issue from the parent's perspective. Once the message is drafted and reviewed with the parent, the parent provides verbal permission to send the message to the LEA administrator responsible for special education, the BSE division chief, and the regional BSE advisor. Once the email has been sent, the Specialist's involvement in CRP has concluded. During FY 2016-2017, CRP was offered to 260 callers, and provided with the parent's permission in 130 instances. ConsultLine Specialists also explain and distribute information about the BSE complaint process. Even when a parent participates in CRP---with the hope that it will resolve the compliance issue---the Specialist still sends a complaint packet in the event the parent is not satisfied with the outcome of the CRP.

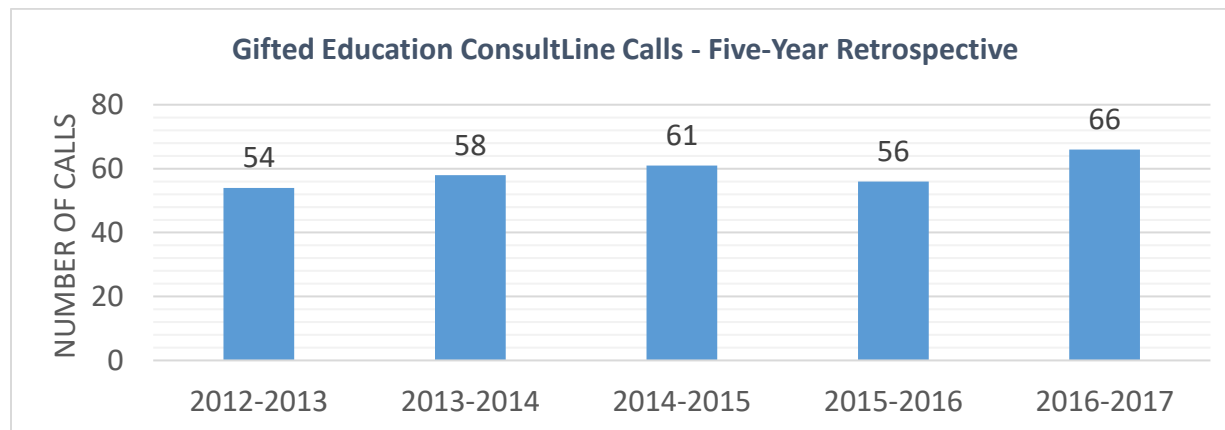

During FY 2016-2017, 231 state complaint forms and information packets were distributed to callers.

Gifted Education

ConsultLine Specialists assist callers who have questions or concerns about Chapter 16. Some of these callers allege compliance violations. When this occurs, the Specialist provides the caller with information about the procedural safeguards for gifted education including the option to file a written complaint. Callers are also referred to the BSE advisor designated for

management of Chapter 16 compliance issues. During FY 2016-2017, ConsultLine Specialists responded to 66 callers whose questions or concerns were specifically related to gifted education.

ConsultLine Feedback

When callers provide contact information, Specialists conclude service by mailing or emailing an evaluation survey to the caller. The survey is brief and it can be completed and returned anonymously. Survey participants are asked to provide comments and to answer several satisfaction-based questions.

During FY 2016-2017, 64 evaluation surveys were completed; the large majority were submitted electronically. Consistent with past years, survey results indicate satisfaction rates between 94.74-100%. Survey respondents assess the following areas: usefulness of information; identifying options for resolving concerns; timeliness of service; and general satisfaction. The following sample of comments received during FY 2016-2017 are consistent with past years.

"The help I've received over the years has been consistently high caliber, excellent and helpful."

"I called and left a message and shortly thereafter, I got a call back. The caller was extremely knowledgeable and helpful. She even sent me links with excellent information for me to help my client and future clients. This is a resource that I will recommend to others and use more of in the future."

"Always professional, knowledgeable, and helpful. Thank you for your support and guidance through the process!"

Professional Development

ConsultLine staff continue to participate in high quality professional development opportunities to remain well-informed and effective in conveying useful information and relevant resources to callers. During FY 2016/2017, professional development activities included topic discussions with ODR Hearing Officers; LRP National Institute; Lehigh Law Symposium; Pennsylvania Bar Institute's Exceptional Children's Conference; and PDE's Annual Conference. Additionally, Specialists are involved in outreach activities and collaboration with cross-agency staff on various ODR, BSE, and CADRE initiatives.

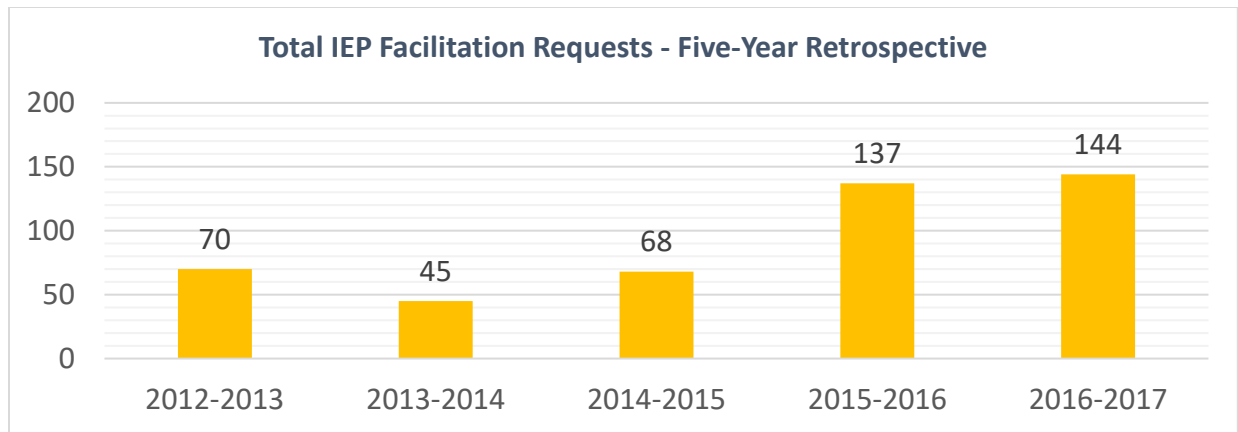

Resolution Meeting Facilitation (RMF)

During FY 2016-2017, ODR received 16 requests for RMF, and a completed RMF occurred in nine instances. Of the nine RMF that took place, five resulted in an agreement and there was no agreement in four instances.

IEP/IFSP/GIEP Facilitation

IEP Facilitation Requests

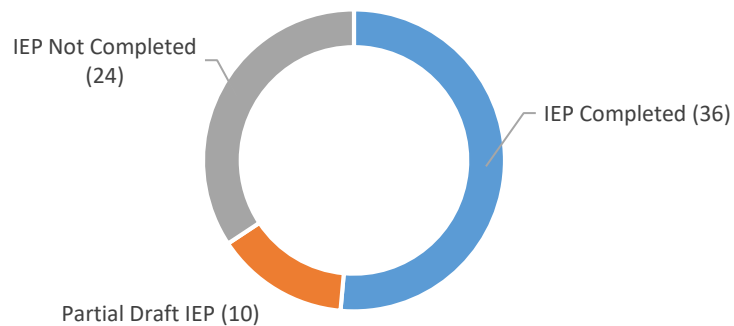

The IEP Facilitation program received 144 requests for service during FY 2016-2017. There was one request for the IDEA 3-5 age group, which was subsequently withdrawn; 133 requests for IDEA school age cases; one request for Chapter 15/Section 504 issues, which was subsequently withdrawn; and nine requests pertinent to gifted education.

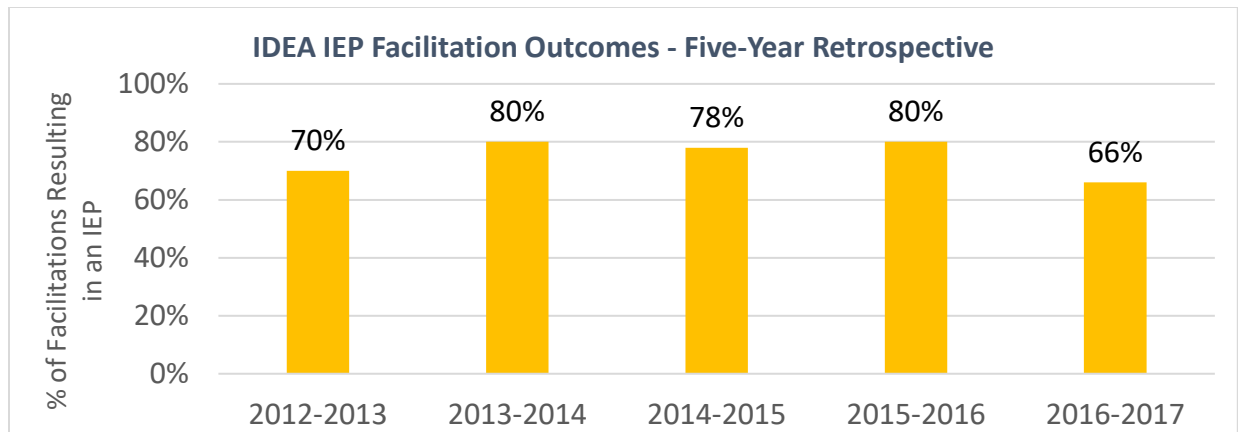

IEP Facilitation Outcomes

School Age IDEA

A facilitated IEP meeting occurred in 70 instances and resulted in the following:

The balance of IEP Facilitation requests that did not proceed were due either to a party not responding to ODR or declining to participate, unable to locate a facilitator (due to the short time frame between the facilitation request and the scheduled IEP meeting), or the withdrawal of the request. At the time of this report, three requests for IEP Facilitation remain active.

Gifted Education

Of the 144 requests, nine were for GIEP Facilitation.

In two instances, there was an agreement or partial agreement; no agreement in two instances; two cases were declined; and three cases were withdrawn.

IEP Facilitation Feedback

"The facilitator was very instrumental in facilitating a positive meeting which resulted in a signed NOREP from the family."

"Just having the ODR facilitator there as an impartial person helped the meeting run smoothly. He was excellent."

"[Facilitator] acted in a positive and professional manner. She remained a neutral party and helped the team identify options to serve the best interest of the student."

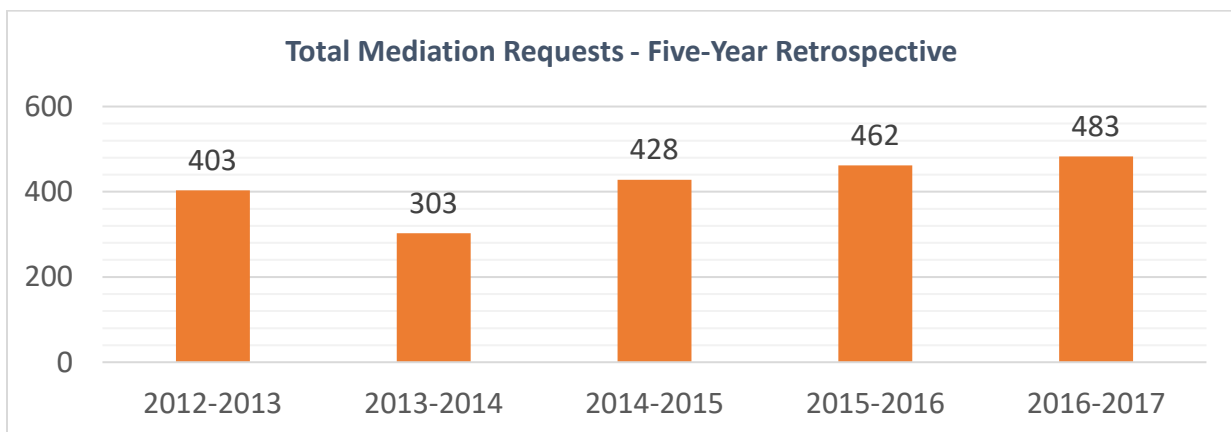

"IEP facilitation helped the parties be prepared and focus on the issues in dispute."

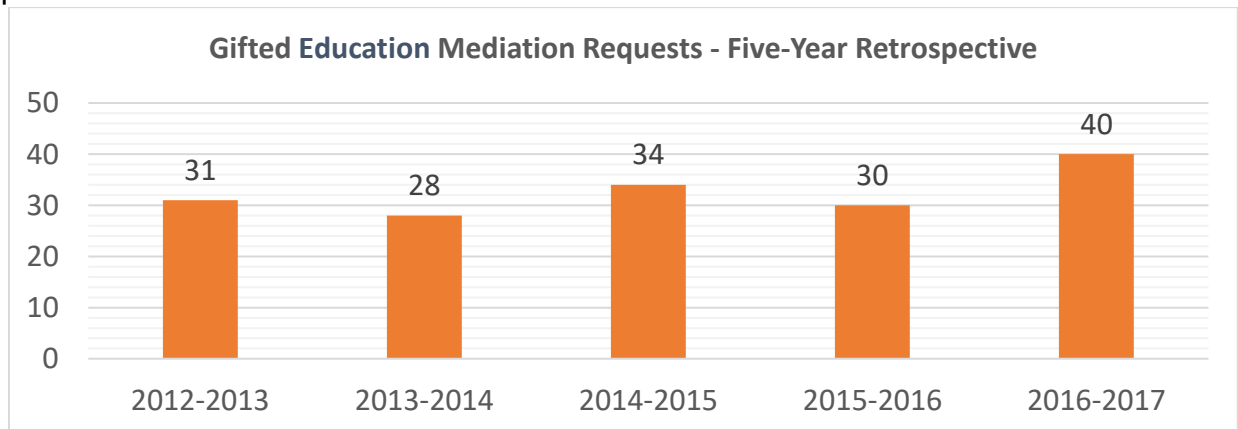

In FY 2016-2017, ODR contracted with 21 independent contractors to provide mediation services to parents and educators. Mediation is voluntary, and therefore, both the parent and LEA must agree to participate in mediation for it to be scheduled and held.

Mediation Requests

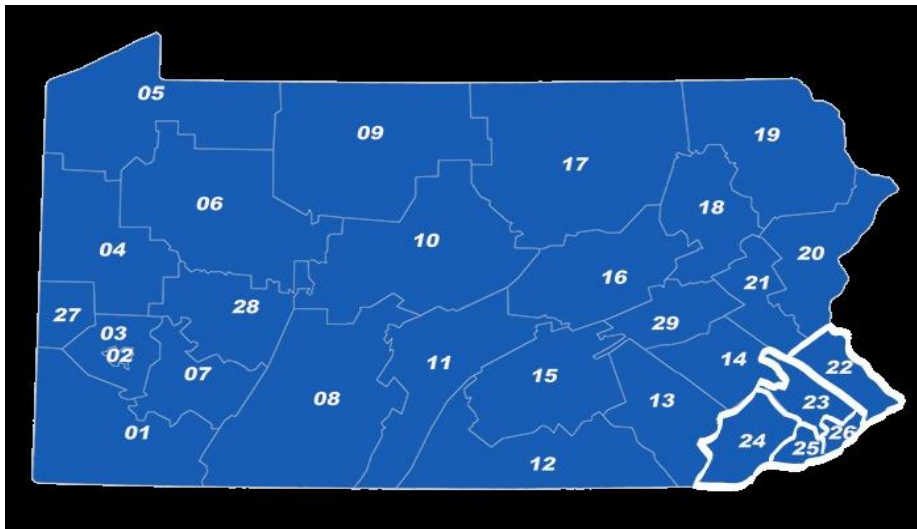

ODR received 483 requests for mediation during FY 2016-2017, which is the highest number received during the past five years.

The requests for gifted education mediation have also increased during this reporting period.

Areas with the most mediation requests were Montgomery County IU 23 (63); Philadelphia IU 26 (58); Chester County IU 24 (57); Delaware County IU 25 (44); and Bucks County IU 22 (44).

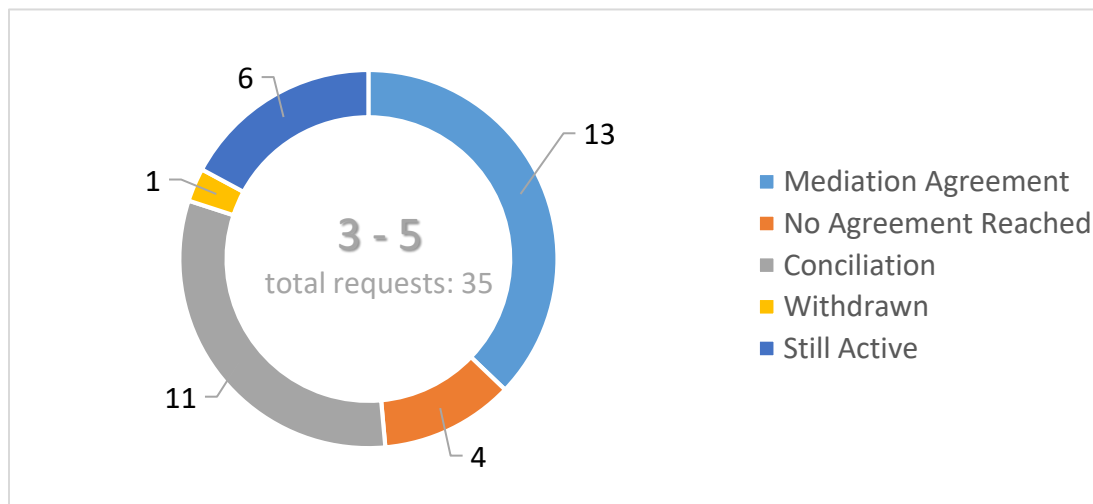

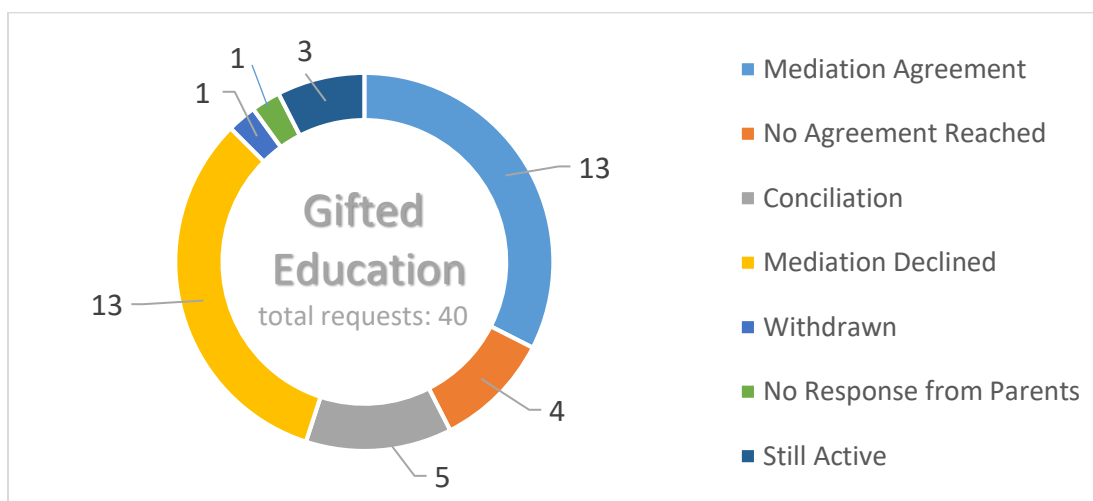

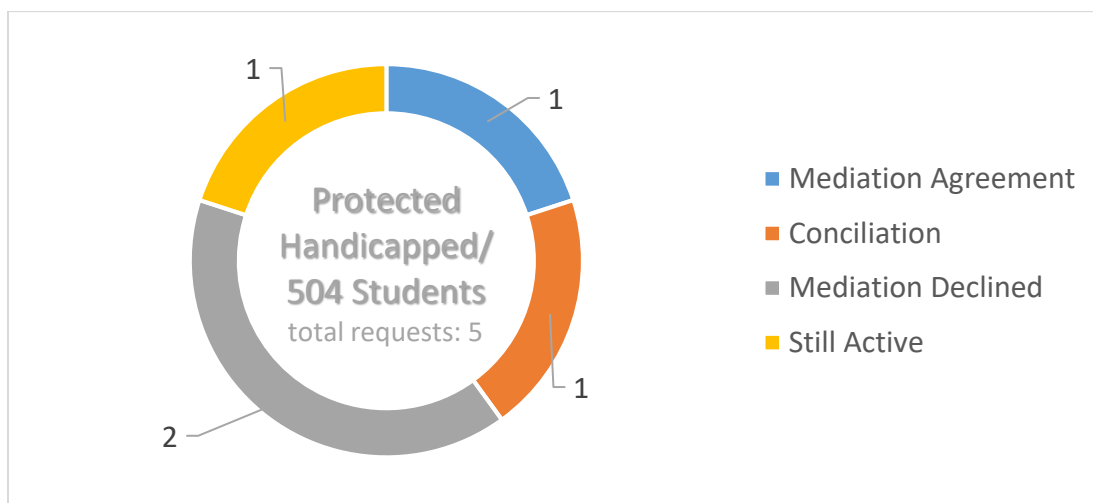

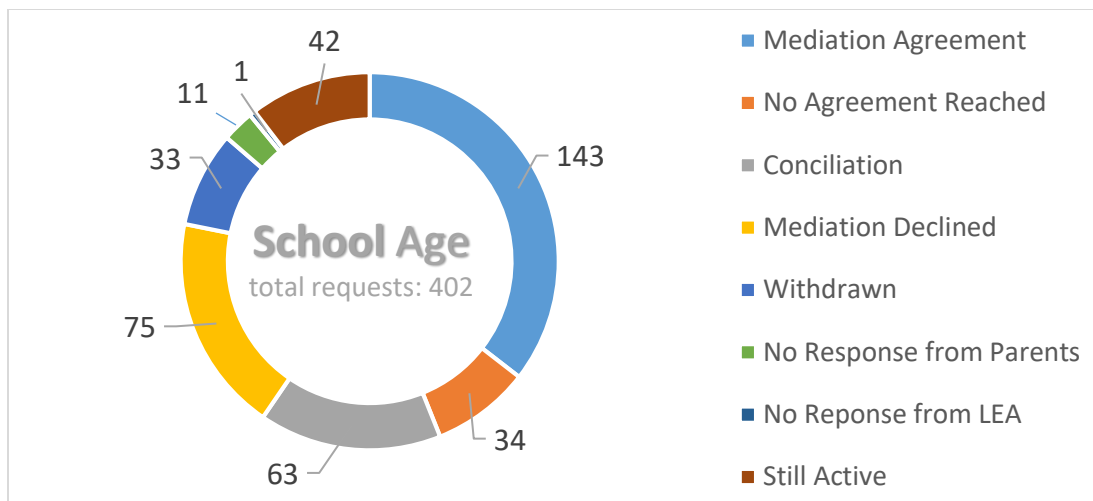

Mediation Outcomes

Of the 483 total requests, 217 did not result in a mediation because the parent did not respond to the request (12); the LEA did not respond (1); the non-requesting party declined to participate (90); or the parties resolved (79) or otherwise withdrew the request for mediation (35). In the 90 instances, where the parties did not agree to participate in this voluntary process, the LEA declined 88%, and parents 12%.

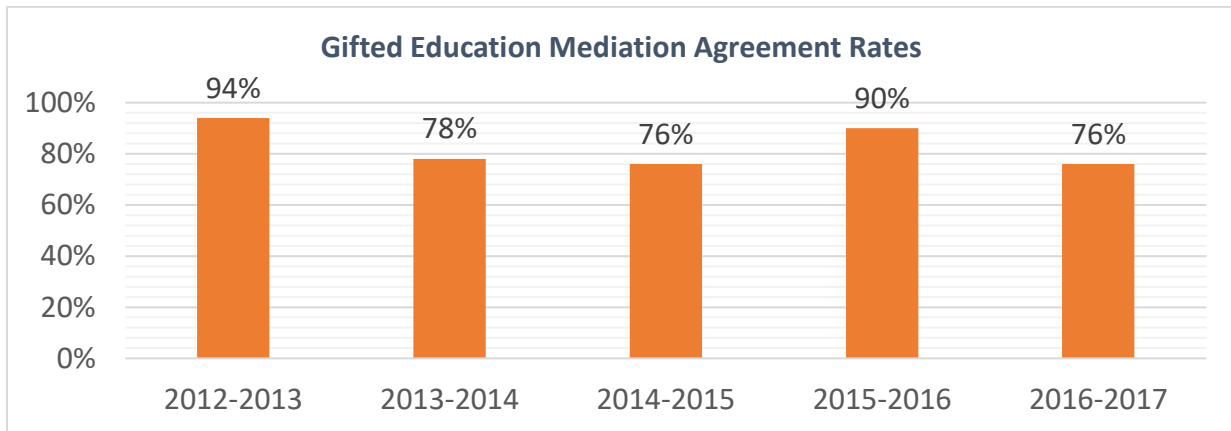

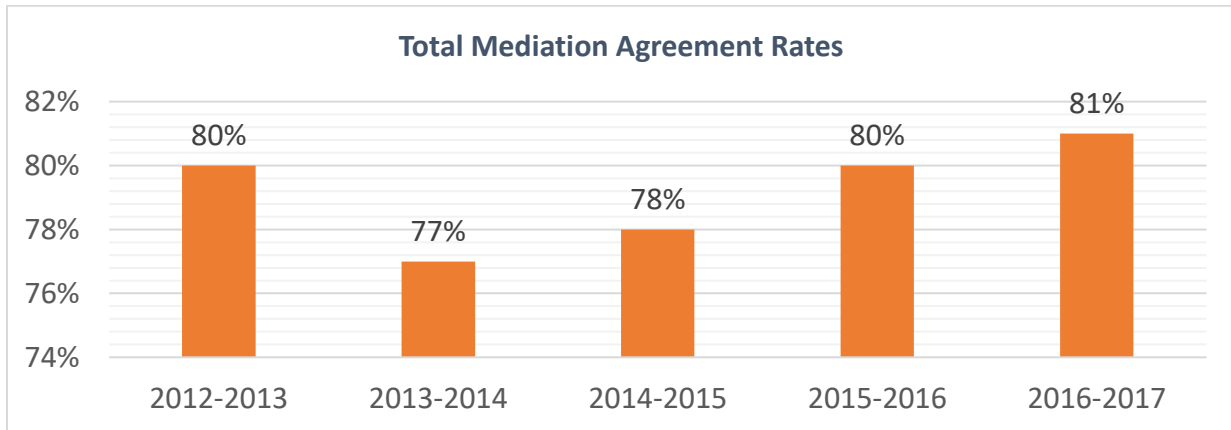

2016-2017 Mediation Results by Age and Exceptionality

There was one Birth-3 mediation request which is still active.

Five-Year Retrospective of Mediation Agreement Rates

Mediation Issues

The most prevalent and recurring issues addressed in mediation divided among age groups and exceptionalities as follows:

- Birth – 3: related services, eligibility
- Children and students ages 3 – 21: related services, placement and IEP issues
- Protected Handicapped Students: Chapter 15/Section 504
- Gifted Education: eligibility, GIEP, placement

Detailed information about mediation results can be found in Exhibit 1, *Mediation Results by Intermediate Unit and School District*.

Mediation Feedback

"Our mediator was excellent in that he not only took the time to fully understand the issues at hand and their many facets, but also in maintaining the focus on the meeting through his objectivity and insights."

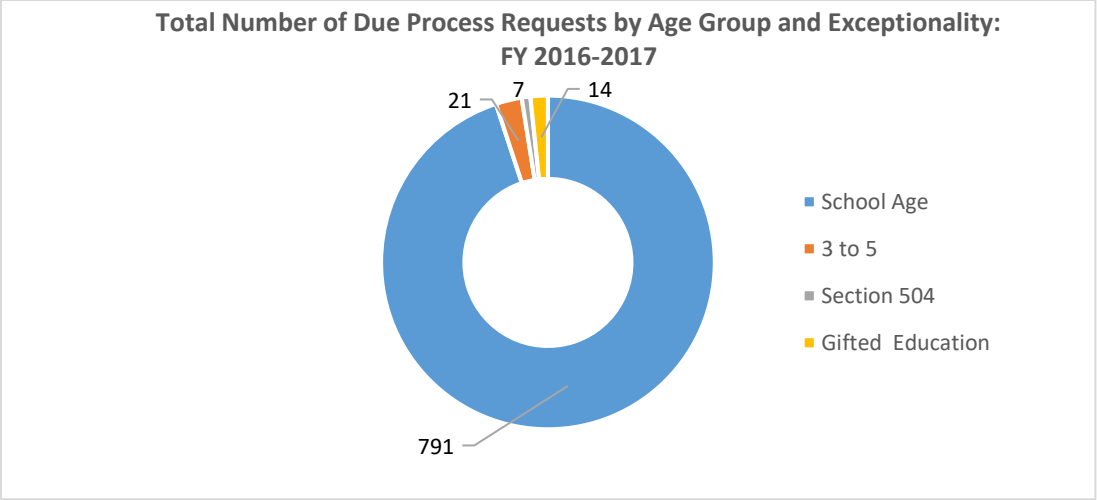

"The mediator was prompt, professional and personable. She helped make an uncomfortable situation a positive experience."

"I appreciate the process and see it as an essential component to bring both parties, quite literally, to the table to work out the differences one-on-one rather through other means."

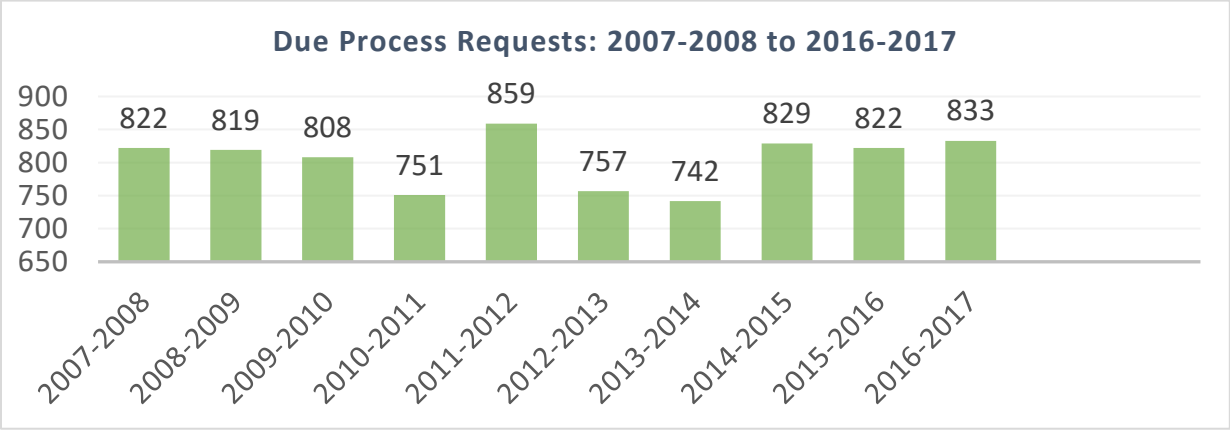

Due Process Requests

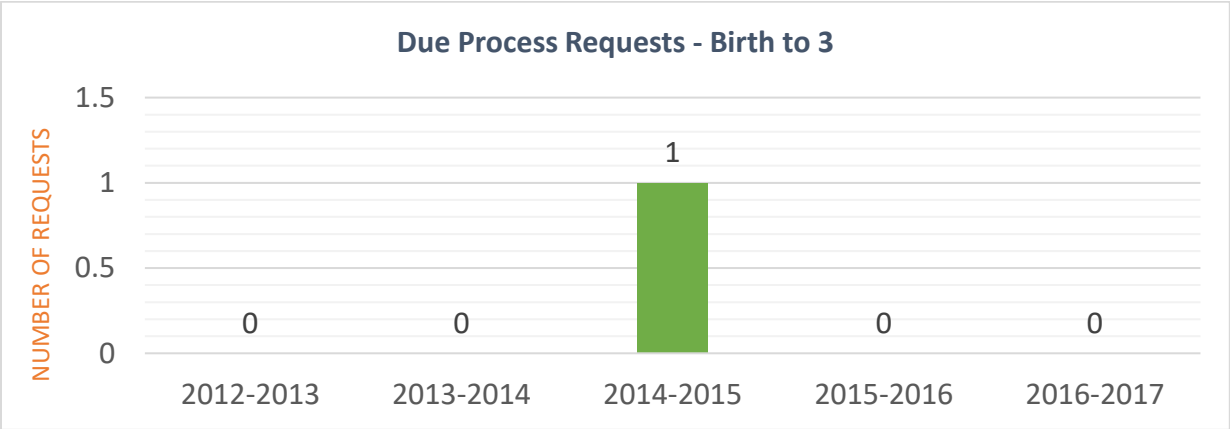

Due process was requested a total of 833 times during FY 2016-2017. There were 148 carried over from the previous fiscal year. There were no birth-3 related requests for due process.

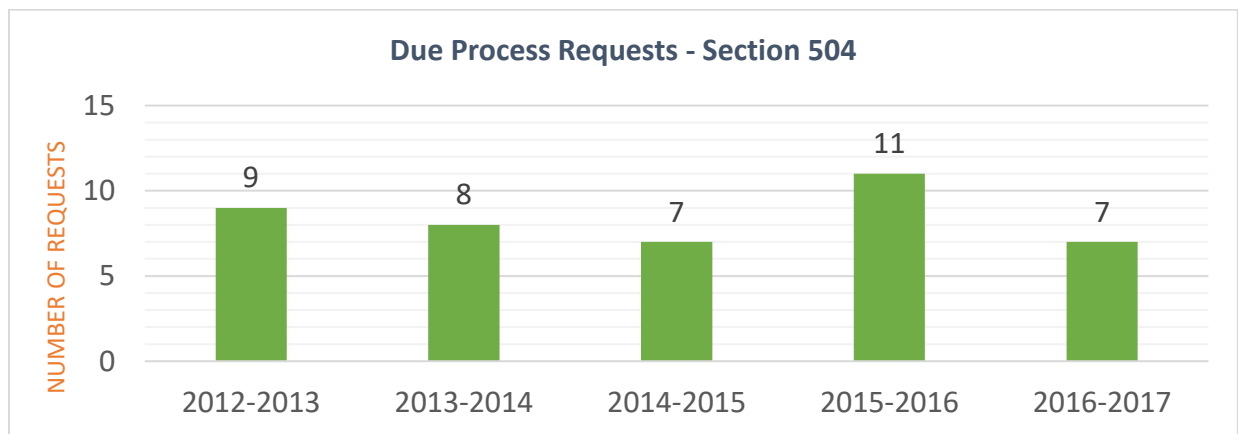

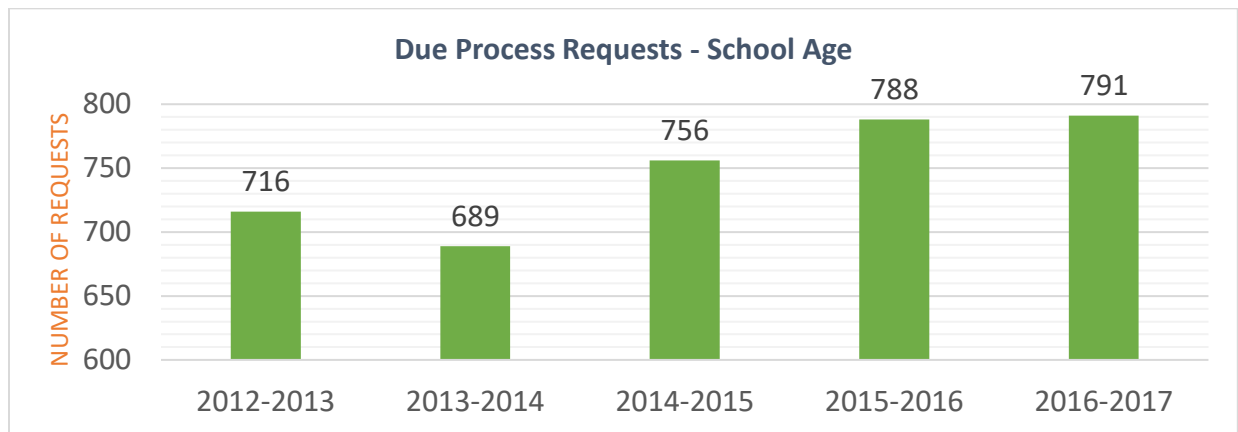

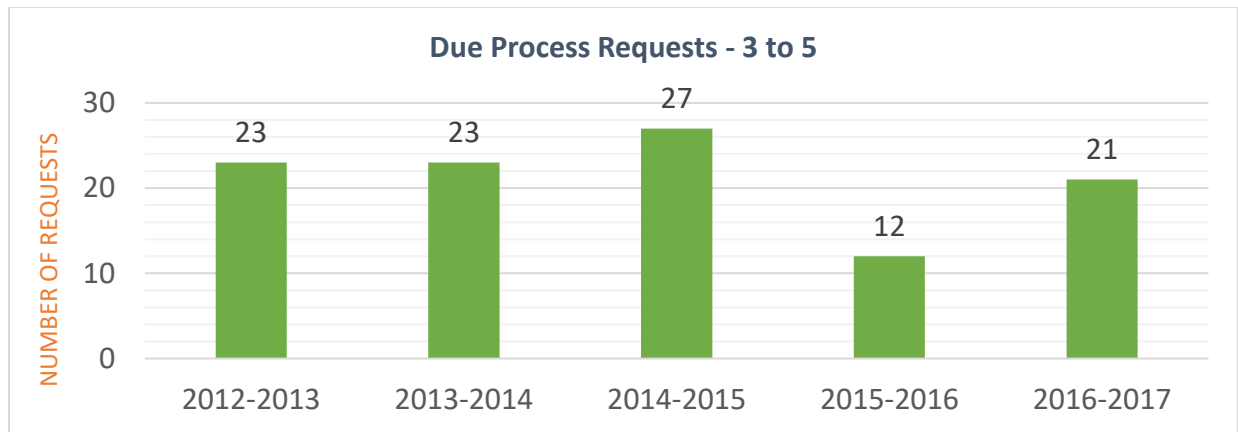

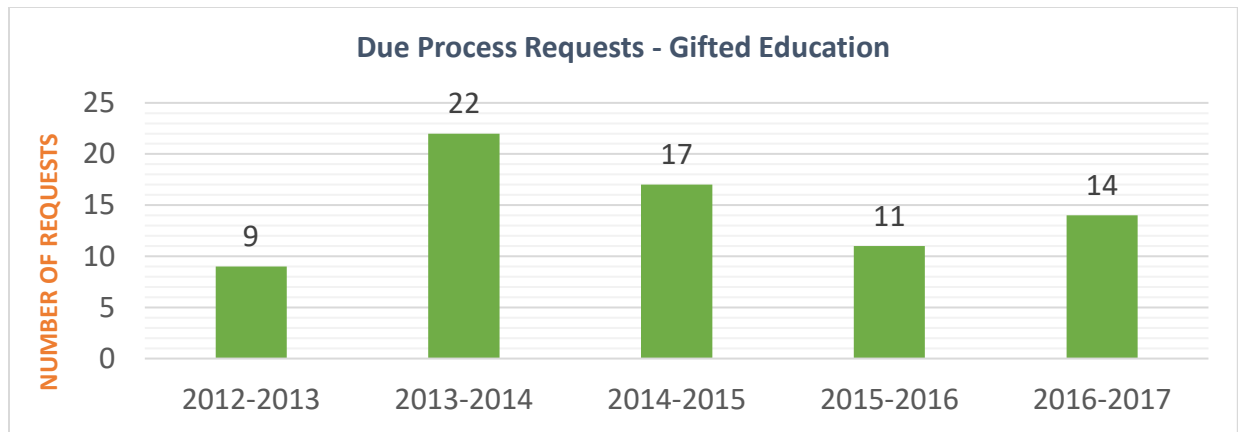

The number of requests has remained fairly stable in the last decade.

Five-Year Retrospective of Due Process by Age Group

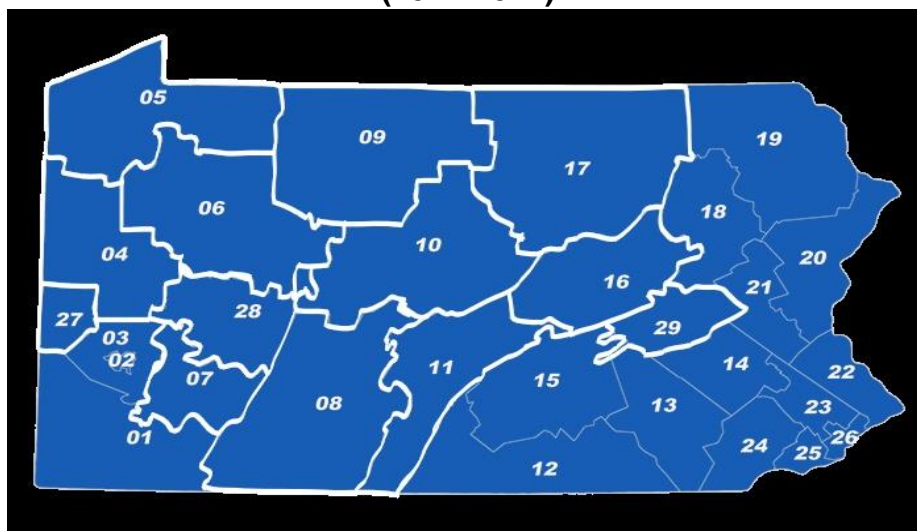

Frequency of Due Process Requests By Intermediate Unit

The largest number of due process requests for this year came from the following four intermediate units:

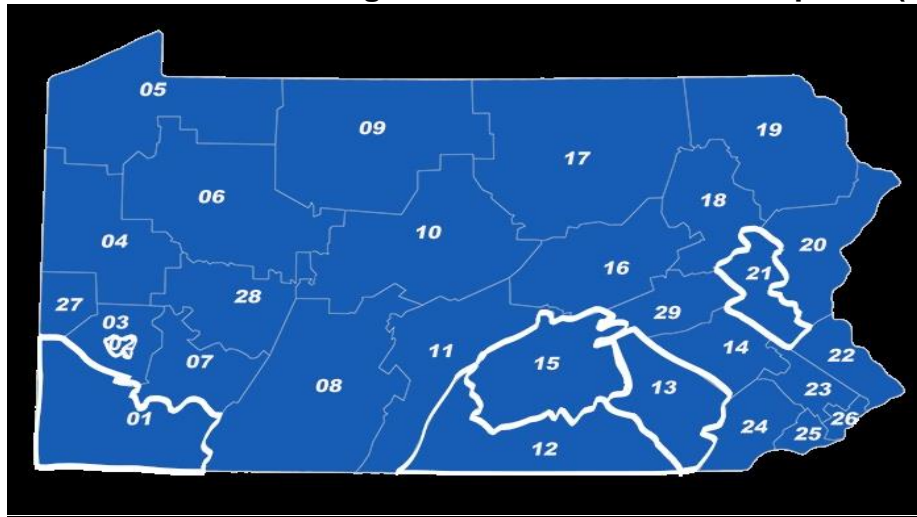

- Philadelphia County Intermediate Unit 26 165
- Montgomery County Intermediate Unit 23 104
- Delaware County Intermediate Unit 25 77
- Chester County Intermediate Unit 24 66

(2012-2017)**

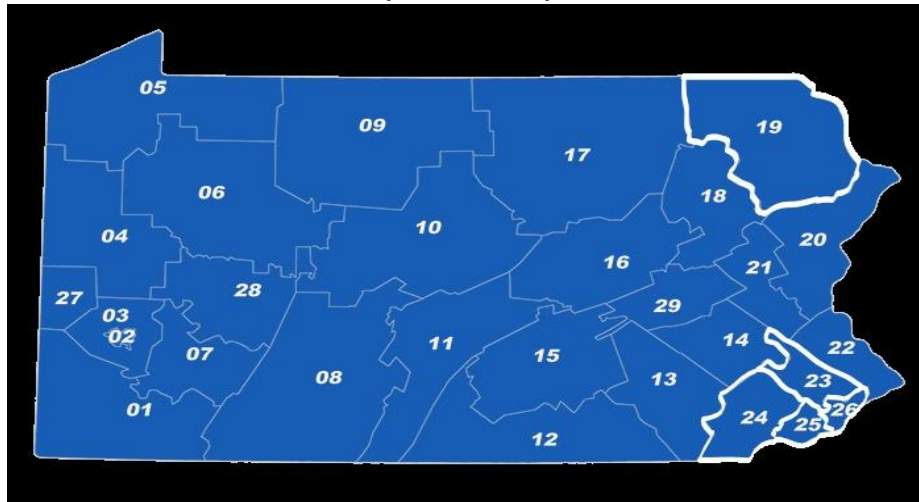

Intermediate Units with an Average of 10-29 Due Process Requests (2012-2017)

Intermediate Units with an Average of 30-49 Due Process Requests (2012-2017)

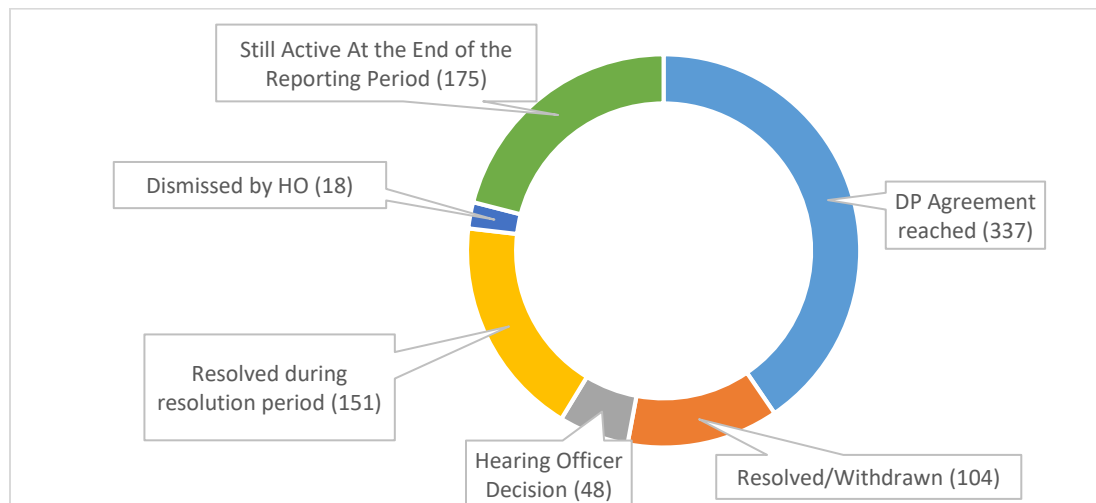

Intermediate Units with an Average of 50 or More Due Process Requests (2012-2017)

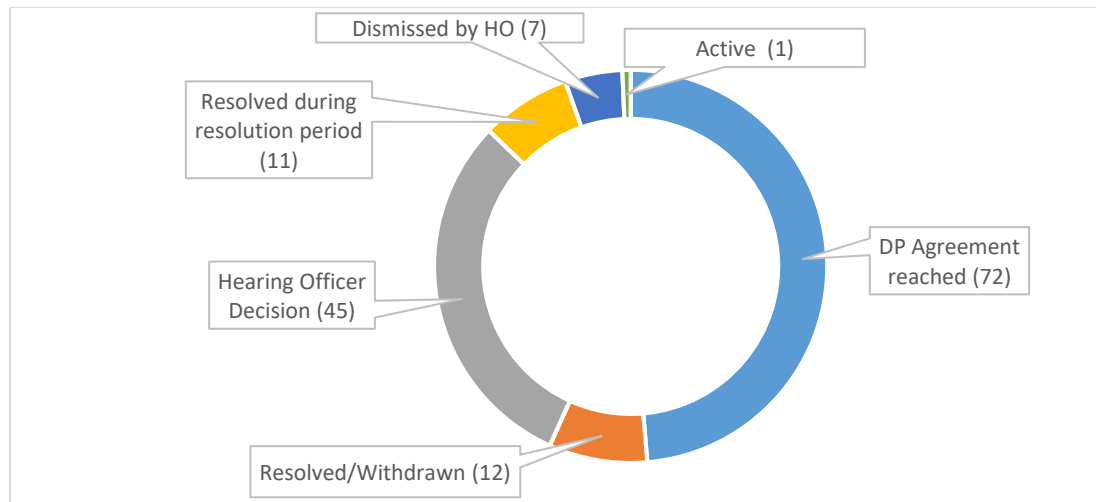

Detailed information about due process requests by intermediate unit and LEA for FY 2016-2017 can be found in Exhibit 2: *Due Process Requests/Issues by Intermediate Unit and School District*.

Due Process Outcomes

The 833 due process requests were resolved as follows:

For the 148 cases carried over from the previous fiscal year, they were resolved as follows:

Hearing Officer Decisions

The hearing officers wrote 48 decisions on FY 2016-2017 requests. The hearing officers categorized the results as follows:

Birth - 3

None

3 – 5

Parent Prevailed - 1

LEA Prevailed - 1

LEA Prevailed with Modification - 1

Parent Prevailed in Part; LEA Prevailed in Part – 2

LEA Prevailed - 18

LEA Prevailed with Modification - 2

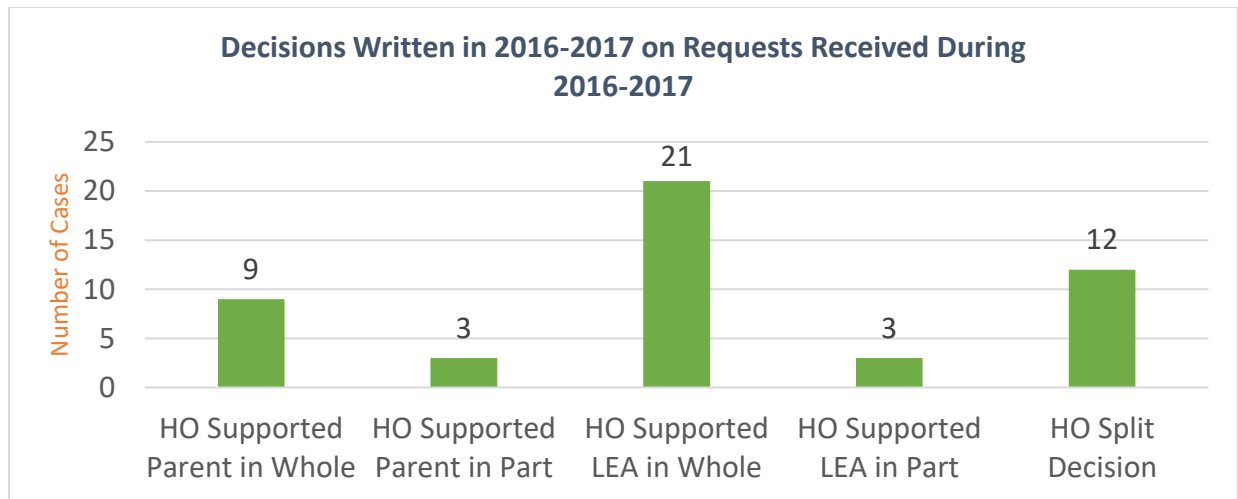

Parent Prevailed in Part; LEA Prevailed in Part – 10

Protected Handicapped/504 Students

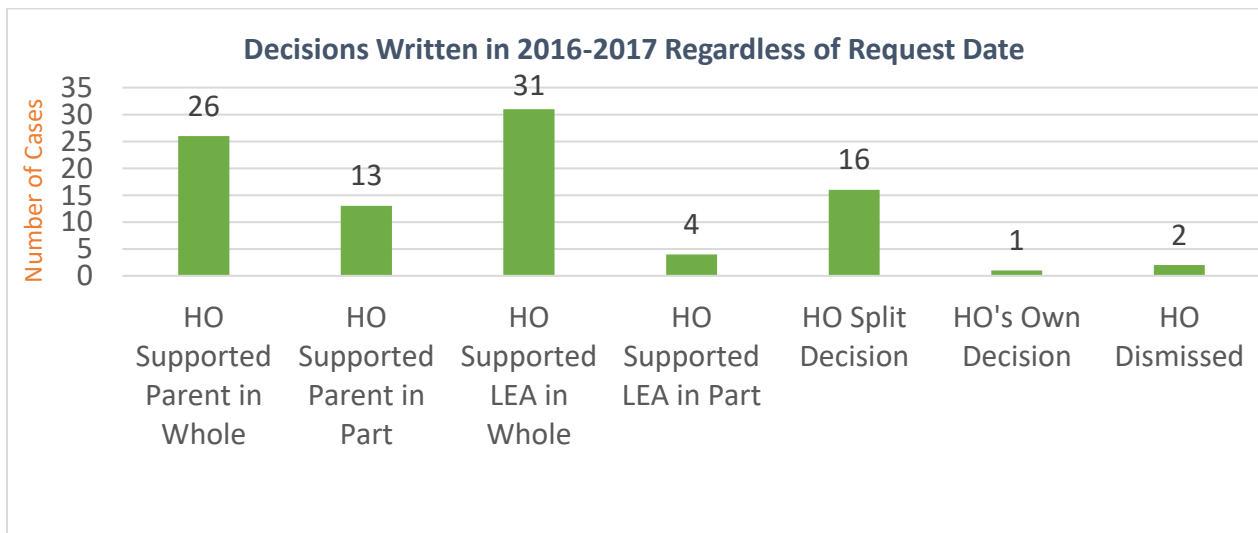

None

Gifted

LEA Prevailed - 2

The hearing officers wrote a total of 93 decisions, including decisions pertaining to 2016-2017 requests, as well as requests received prior to FY 2016-2017.

Appeals to State and Federal Court

During FY 2016-2017, there were 27 appeals to state or federal court; only six of these appeals pertained to 2016-2017 requests for hearing, with the balance pre-dating the reporting period. Twenty-six appeals were brought under the Individuals with Disabilities Education Act (IDEA) and one appeal was brought under Chapter 16. The appellant chose federal court in 85% of the appeals. Parents accounted for 67% of the total number of appeals received. As of the close of the reporting period, 16 cases were still in progress, two cases settled, and three cases were dismissed, voluntary or otherwise.

A judge ruled on the substantive aspect of the case in six instances, upholding the hearing officer in whole or in part.

Conclusion

A copy of this Annual Report will be posted on the ODR website, www.odr-pa.org as well as distributed to the Special Education Advisory Panel (SEAP) and the ODR Stakeholder Council.
