

### The Neutral Facilitative Mediator

- Opening Statements
- Joint Sessions
- Private Sessions (Caucus)
- Mediator Recess
- Party Agreement Writing (if an agreement is reached)

### The Neutral Evaluative Mediator uses the Facilitative Techniques and...

- Takes an impartial interventionist role.
- Suggests possible solutions to facilitate a settlement through directive questioning, helping each party self-analyze their independent interests and positions.
- Makes impartial recommendations, suggestions, and expresses opinions.
- Helps the parties assess the legal merits of their own arguments.

**Evaluative Mediation**
