

A. AUTHORITY OF SCHOOL PERSONNEL (34 CFR §300.530)

1. Case-by-case determination

School personnel may consider any unique circumstances on a case-by-case basis, when determining whether a change of placement, made in accordance with the following requirements related to discipline, is appropriate for a child with a disability who violates a school code of student conduct.

2. General

To the extent that they also take such action for children without disabilities, school personnel may, for not more than 10 consecutive school days, remove a child with a disability (other than a child with mental retardation) who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension. School personnel may also impose additional removals of the child of not more than 10 consecutive school days in that same school year for separate incidents of misconduct, as long as those removals do not constitute a change of placement (see *Change of Placement Because of Disciplinary Removals* for the definition, below) or exceed 15 cumulative school days in a school year. Once a child with a disability has been removed from his or her current placement for a total of 10 school days in the same school year, the LEA must, during any subsequent days of removal in that school year, provide services to the extent required below under the sub-heading *Services*.
